I just wanted to let you know that he pled today so I will not need you for trial. Thank you for your patience and assistance.

Hi all-

I have received information that this trial is not going to start on Monday because there is no available Judge. I was assuming you would all want to be on phone notice until I knew when I would need you anyway but if it gets pushed out a few days are there any scheduling issues I should be aware of?

Thanks and sorry for the inconvenience!

Jessica
